

Frequently Asked Questions

Toronto Showhome - built by SKALE

Q: Where is the showhome located?

A: The showhome is located in the Upper Beaches neighbourhood in Toronto.

Q: Is the showhome furnished?

A: Yes, the prize home is fully furnished and professionally decorated.

Q: Does the home have air conditioning?

A: Yes, the home does have air conditioning.

Q: Does the home have a garage?

A: Yes, the home has a double car garage.

Q: What are the property taxes?

A: The property taxes have not yet been assessed for this prize home.

Q: Is the home freehold?

A: Yes, there are no maintenance or condo fees.

Q: What is the size of the showhome/how many bedrooms are there?

A: 3,870 SF with 4 bedrooms.

Q: Does the prize property come with any smart home technology?

A: Yes, Samsung has outfitted the showhome with Samsung SmartThings sensors and connected appliances and home entertainment products which you can manage from your phone or provided tablet using the SmartThings App. Features include temperature control, door open and close sensors, lighting control, motion sensors, control of kitchen appliances and TVs.

Q: Is the prize property open for viewing?

A: No, the property is not open for viewing but a 3D Tour and Photo Gallery will be available on the lottery website.

Q: Why is this prize property not open for viewing in person?

A: The Princess Margaret Cancer Foundation carefully weighs the impact on a neighbourhood and community of opening any prize property to the public and as a result not all homes are open for viewing in person. Please visit PrincessMargaretLotto.com and take a 3D tour and enjoy the photo album showcasing this spectacular prize.
